

[Hand-drawn sketches at the top of the page include a complex geometric design with triangles and circles, a large blue arrow pointing right towards the word "IDEA" in colorful letters, and a pinkish-purple shape resembling a cloud or smoke with the letters "AM:" next to it.]

[A hand-drawn diagram below shows a grid of squares containing various mechanical parts like wheels and gears, with arrows indicating movement. To the left of the grid are vertical measurements: "10 Feet" and "10 Feet". Above the grid are horizontal measurements: "5", "5", "5", "5", "5".]

Dear Sam How ARE you?: say hello
to Ediss. I work kind ON this Rideam
for the Bull's Head Pedal its pretty BIG
but Good - I hap so — me by — How is the
sit well be ↑
Jawist ? maseum? with out all the
Machines ? *(llc)*

[Hand-drawn sketches at the bottom of the letter include a small boat on the left and a series of stylized, overlapping letters "I", "O", "L", "D", "S", "G", "N", "Z" in the center.]

amities et Salutis SS, MO

Hello Sam here all goes well. We are
working furiously on the ballet which is interesting
(for us anyway) as soon as its finished back
to N.Y. around March 15- Love to Edisso.
Salmagundi - P. 1974
